Trustee Responsibilities in the Global Financial Crisis Opportunities and Risks

The Global Financial Crisis was largely brought about by the failure of market regulation to curb the development of opaque financial products and corporate excesses.

It provides an opportunity to put forward alternative models for a more sustainable and equitable economic and social world.

What should we do and what are the risks?

Chair: *John Maitland, CWC*

10:00am – 11.00am

Panel Discussion: Panel will discuss the opportunities and risks brought about by the GFC and include in the discussions possible activities in relation to PRI principles and Climate Change

Chair: *Tim Lyons: ACTU*

Xander den Uyl, ABP Netherlands
Daniel Simard, Batirente – CSN Quebec
Garry Weaven, IFM

11.20am - 12.30pm
