

Workplace Petition

We the undersigned at *[name of worksite]* request an immediate response from *[name of managerial person]* in writing in the next 48 hours on all the necessary measures you are taking to protect the health of everyone in relation to the COVID-19 pandemic.

Health and safety laws clearly require employers to take action to protect the health and safety of workers and others. Workplaces that do not provide support to workers who declare potential illness are increasing the risk to everyone.

Those measures must include **all workers** impacted by the Coronavirus, whether ill, self-isolating, caring for a loved one, or needing to be stood down either temporarily or ongoing, to have access to two weeks paid special leave. This should be paid at their ordinary rate of pay and in the case of casuals what they would have been rostered on to do or the average taken from the last month of work.
