

**ACTU CONGRESS SEPTEMBER 1993
CRIMES ACT CHARGES AGAINST TRADE UNIONISTS**

- 1.1 That this Congress of the ACTU condemns the use of Section 545B of the Crimes Act against trade unionists by the New South Wales Government. The misuse of the Crimes Act is a serious attack on the democratic rights of trade unionists and community organisations to peacefully picket and protest.

- 1.2 We call on the New South Wales Parliament to immediately repeal Section 545B of the Crimes Act.
